

EXCAVATING PERMIT

Permit Fee *per approved schedule*

Approval by the ECC:

The ECC or designated authority shall approve or disapprove all proposed improvements within thirty (30) days after receipt by the Candlewood Lake Office of all necessary documents and fees.

The following is an excerpt from ECC Handbook pg. 10:

210 Grading and Drainage - When a lot is graded at a higher or lower level than the natural grade, the owner shall provide suitable slopes or retaining walls or other natural protection on his own property to preserve the natural surface elevation of adjoining property. Grading shall be done so that the existing natural ground drainage of the area is not impeded. Grading shall be done so that the natural amount of existing storm water runs off to adjoining property is not increased or is not concentrated to spill off the property at new locations. No garage apron, runway, or entrance area below ground level, nor any area subject to receiving storm drainage, shall be permitted unless it has gravity drainage to the street or natural drainage course.

210.1 Excavating - Any excavation, not covered by other permits, which alters the profile of the natural soil of an area greater than 300 square feet *and/or deeper than one (1) foot*, shall require a permit approved by ECC.

This permit must adhere to the following standards:

- a. The permit application shall show the full profile of the intended excavation in plan and topographical information regarding how far area will be raised or lowered. (Attach full plan profile to this permit.)
- b. The applicant shall explain the purpose of the work and how the surface drainage, if altered, will be restored to insure the displaced water will properly flow through the altered watercourse.
- c. Property owners should notify all utility companies **BEFORE** any excavation is undertaken in area of underground utilities.

Ohio Utilities Protection Service (OUPS) 1-800-362-2764 CALL 24 HOURS PRIOR TO DIGGING
(OUPS includes Armstrong lines)

Consolidated Electric Co-Op 1-419-947-3055 Not covered by OUPS

Candlewood Lake Water / Sewer 1-419-210-7653 Not covered by OUPS

Knox Energy 1-888-863-0032

- d. Approval or denial of this application will be made by the ECC after consultation and evaluation by the Candlewood Lake staff.
- e. All excess soil and material must be removed within 30 days of completed project. *Silt fencing may need to be in place per inspector requirements.*
- f. If **approved**, notify office when work has started.

Excavation Reason: _____

Excavation Method: _____
(i.e.: manual digging; back-hoe; trenching, etc.)

Permit Expiration: This permit will expire six (6) months after issue date. (See ECC Policy 105.1 in the Candlewood Building Codes Handbook for full details).

By signing below you realize that you and your contractor must adhere to the rules listed above and all rules set forth in the Candlewood, ECC Building Codes and Permit Handbook.
