No charge permit

Member Name \_\_\_\_\_ Unit & Lot # \_\_\_\_\_

Excerpt from the CWL ECC Building Code Handbook:

**Approval by the ECC:**

The ECC or designated authority shall approve or disapprove all proposed improvements within thirty (30) days after receipt by the Candlewood Lake Office of all necessary documents and fees.

**209 Colors** - The exterior of houses, garages, mobile homes, boat docks, and other out-buildings must be an approved Candlewood Lake color or close facsimile. Color palette samples are available at the CWL Association Office. Stone, brick, and natural materials left in their natural color shall be approved. White may be approved for trim only. Trim is defined as wood or plastic outlining door openings, windows, garage door openings or special decorations. Exterior doors may be white. (Board Policy 04.013.06) Black is an acceptable color for roofs and exterior trim only. (Board Policy 09.114.14) House doors may be painted approved CWL colors as noted on approved palette for trim.

ECC requires that color samples be submitted before a building permit will be granted.

**ALL COLORS AND MATERIALS MUST BE APPROVED BY THE ECC.**

If an approved color other than what is submitted to ECC is used on the exterior, a fine of \$250.00 will be assessed. (Board Policy 06.056.15)

Any existing structure which is painted, stained, or covered with an approved Candlewood Lake color may be re-painted, re-stained, or re-covered the same color and same material without ECC approval. All others require ECC approval before painting or staining. (Board Policy 02.309.93) (Updated Board Policy 12.120.13) (Color palette samples approved Board Policy 06.076.14)

To obtain a permit, complete the required information and include a color sample. Submit this completed form to the Association Office, with the necessary information attached. The ECC will review the permit and then you will be contacted.
