

Full Moon Walk & Campfire

Sunday
January 16
6—7:30 PM

Gather near the parking lot and trailhead. The outdoor fire pit will warm you up by the light of the moon. Before beginning and ending your walk, enjoy hot cocoa and campfire donuts while listening to stories of the moon and its historical and cultural significance. This event is free with donations welcome to the Mt. Tabor Nature Trail Restoration. Flashlights and boots are suggested and be sure to dress for the elements.

A fun, family-friendly activity!
