By Signing below, I acknowledge that I will read and follow all Candlewood Lake (CWL) Boating Rules and CWL CLO's, and State of Ohio Boat Operator's Guide. I further acknowledge that I'm permitted to have a boat with a wake enhancing device, but I recognize that I am not allowed to use such device at any time while on Candlewood Lake property. I further acknowledged that **Watercraft Liability Insurance** is required on Candlewood Lake.

 Security Officer's Signature, Unit # and Date

 Signature of Property Owner and Date

Note: Only Members may permit Watercrafts that are in their names. Members must also present original documents at permitting appointment. This form must be completed for each Watercraft permitted. Any boat that is fraudulently/mistakenly permitted or does not meet the requirements set by the board of Candlewood Lake Association will be denied at the time of inspection, and or have permitting sticker removed by security. Any non-power boat that is later converted to a power boat, after it was approved by security, will be fined and sticker removed.
