

Solar Panel Permit

Unit ____ Lot ____

Building Codes Handbook Reference: 518
Permit Fee: See Approved Schedule

Excerpt from the CWL Building Code Handbook:

Approval by the ECC (pg. 1):

The ECC or designated authority shall approve or disapprove all proposed improvements within thirty (30) days after receipt by the Candlewood Office of all necessary documents and fees.

This permit is intended to ensure adequate attention has been paid to disconnection of the home power generation device(s) from the common power grid. Failure to disconnect may present an unacceptable hazard to electrical provider employees.

The member is responsible for returning this form indicating the identified disconnection device was actually installed and all federal, state, and local codes were observed. See Residential Code of Ohio ver 2019, section 324 and 327

Please see CWL code 518 for additional details required.

This permit expires 6 months from date of issue.(See ECC policy 105.1 for additional details.)

By signing below you agree that you and your contractor must adhere to the rules listed above and all rules set forth in the Candlewood ECC Building Codes Handbook.
