

GENERAL MISCELLANEOUS PERMIT

Unit _____ Lot(s) _____

Approval by the ECC:

The ECC or designated authority shall approve or disapprove all proposed improvements within thirty (30) days after receipt by the Candlewood Lake Office of all necessary documents and fees (if applicable).

Permit Use:

This permit application is used for any improvement not covered by any other permit. Also, used for any improvements or additions that may affect common areas or lake. See ECC coordinator for applicable uses.

Include with permit application:

- A map of the property, plot plan or survey with the area where the work will be installed or impacted.
- A specifications sheet and/or general description of the proposed work.

The Candlewood Lake Association and its membership have absolutely no liability for any bodily injury, or any property damage caused by any work done by members or their contractors. All liability is assumed by the private contractor and/or the property owner/member.

All work within CWL must comply with all Federal, State, Local Codes/Standards in addition to all CWL codes, rules, and governing documents. It is the member’s responsibility to ensure that all work, including work completed by any hired contractor/vendor, complies with all applicable regulations/codes/standards/rules. CWL is not responsible for identifying nor inspecting for compliance. CWL reserves the right to inspect, or have inspected, any work at any time and fines may be assessed for non-compliance. The Member must notify CWL when work/project is completed.

By signing below, you acknowledge the above and agree that you and your contractor will adhere to all CWL governing documents/rules and regulations. The Member is responsible for any unpaid fines assessed to their contractors and guess. All inspections/review requests (if applicable) or requested changes should be emailed to cwlinspector@candelwoodlake.us
